

Petition to Support McCormick House Fence

To: Mayor Tommy Battle and the Huntsville City Council (District 1 - Richard Showers, Sr.; District 2 - Mark Russell, President; District 3 - John Olshefski; District 4 - Bill Kling, Jr.; District 5 - Will Culver)

We, the undersigned, are concerned citizens who urge our leaders to continue to support the construction of the fence, as it is currently designed, that surrounds the Historic McCormick House located at 2005 Kildare Street.

We are supportive of the current owners' restoration efforts and believe that having a fence in the location specified in the license agreement made between the owner and the City of Huntsville is vital to saving this property. In addition to its state and national significance, this historic structure is a very important part of our neighborhood and we urge you to help protect and secure this asset. We feel having the currently designed fence in the current location helps to eliminate a multitude of problems that have affected the entire neighborhood over the past several years. We believe the current design is necessary to combat the growing problems and to protect this structure, its occupants, and the other residents in this area. The fence improves the quality of life for the entire neighborhood while creating no new problems.
